EXPERIENCE

APOLLO GROUP

Recruitment specialist

2022-01 iki 2022-06

TELE2

Junior talent acquisition specialist

2021-05 iki 2021-12

ABOUT ME

I gained most of my job experience is in recruiting but recently I became interested Front-End development. Although I studied on my own at the beginning, I decided to deepen my knowledge by taking a JavaScript course at Vilnius Coding School. I am currently open to new opportunities.

EDUCATION

JAVASCRIPT (FRONT-END) COURSES

Vilnius Coding School

2022-06 iki 2022-07 | 140val.

Acquired strong web carcass and styling skills with HTML5 and CSS3 Also I learned how to make website dynamic with JavaScript and react.js.

My final project was graded 10 points: https://github.com/matasz21/VCSbaigiamasis
